The Vibe is Off: Why Traditional Venue Marketing is Failing.

Expensive & Blind: Spray-and-pray marketing and promotions burn cash with zero guaranteed ROI. Many people simply don't know about your venue.

Ghost Town Energy: Customer flow is highly inconsistent. Traditional table bookings and group planning are messy and unreliable.

The Gen-Z Disconnect: It's hard to attract the lucrative new crowd. There is no platform successfully combining social discovery with venue booking.

LUNARA
MEET . EXPLORE . EXPERIENCE

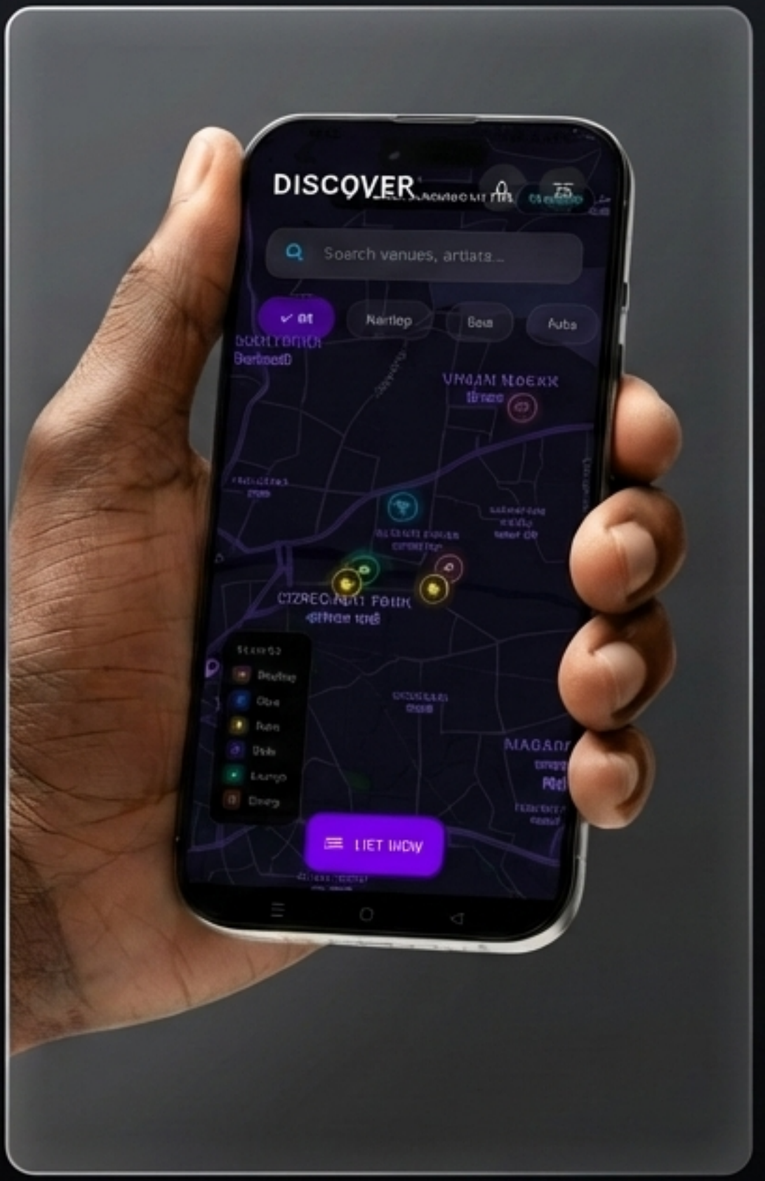

ENTER LUNARA.
WE DON'T SELL ADS.
WE ENGINEER VIBES.

LUNARA is a new-age platform that connects users with the best pubs, clubs, cafés, rooftops, lounges, and premium venues in the city.

STEP 01 — Bringing active users who are deliberately looking for places to go out.

STEP 02 — Promoting your venue directly inside a high-intent social ecosystem.

STEP 03 — Allowing instant table and entry discovery to drastically increase visibility among the Gen-Z audience.

Securing the Premium Bag: Who We Bring to Your Door.

#GenZ #YoungProfessionals

#SocialExplorers #PremiumLifestyle

Persona Profile

THE SOCIALITE EXPLORER

Active urban professionals & trendsetters seeking curated experiences. Spontaneous, aesthetic-driven, and highly shareable lives.
Avg. Spend: High.
Frequency: Weekly.

Persona Profile

THE GEN Z TASTEMAKER

Digitally native, influence-conscious audience prioritizing unique vibes and authenticity. Drives organic buzz.

Avg. Spend: Medium-High.
Frequency: Multiple times/week.

HIGH-INTENT EXPLORERS

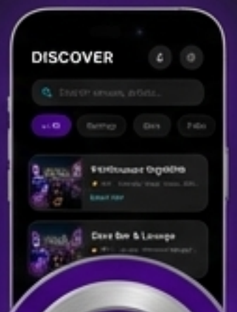

People specifically looking for new places to visit and aesthetic experiences. They aren't just browsing; they are arriving.

THE HALO EFFECT

Premium lifestyle audiences that create organic social media buzz for your venue, driving secondary footfall. No cap, they are ready to spend.

NotebookLM

Frictionless Flow: From Screen to Scene (Part 1).

Step 1: Discover

Users explore a curated map of nearby pubs, clubs, rooftops & lounges.

Step 2: Match

Users select your venue. They swipe left or right on others planning to go there. A mutual right-swipe = A Venue Match.

Step 3: Plan

Users find people to go out with, turning a solo browser into a guaranteed group.

NotebookLM

Securing the Footfall: From Booking to the Dancefloor.

Step 4: Book

Time, venue, and entry pass are digitally secured and confirmed inside the app.

Step 5: Check-In

A simple QR scan at your venue ensures genuine, frictionless entry without the clipboard chaos.

Guests arrive ready to enjoy, vibe, and spend.
You simply allow their entry and host them.

NotebookLM

The Ultimate Marketing Glow-Up.

The Old Way	The LUNARA Way
Hoping people see your expensive IG post.	**Direct visibility** to **active users** exploring places in the city.
Inconsistent walk-ins and messy group planning.	**Pre-booked, matched pairs** guaranteeing attendance.
Relying on the same old regulars.	**Fresh Gen Z, young professionals**, and **premium** social explorers.
Clunky guestlists and manual reservations.	**Instant QR scan** at venue ensures genuine, frictionless entry.
